

IMPORTANT ADVICE - COVID19

Due to the nature of Covid-19 we are implementing improved precautionary measures to ensure the health and safety of our family, staff and customers.

We all need to play our part:

You must advise us if you have been overseas in the past 14 days or are in quarantine.

If you have not been feeling well, please do not attend our office. Call us to see how we can assist.

Social Distancing – Please remain 1.5 metres from all personnel as per government guidelines.

Your vehicle and keys will be sanitised before and after repairs.

Our EFTPOS machine is cleaned after every use.

Staff office workstations are only used by assigned personnel and cleaned every day.

General office areas are cleaned every 2 hours.

We will do everything that we can to ensure the health safety of our network.

Your co-operation with us is highly appreciated as we continue to work together through these tough times.

Warm regards,

Wes Jenkins & Helena Willmot
